
Nighthawks LARP Player Questionnaire

Questionnaire for players of the Nighthawks LARP at Consequences 2018.

Some questions to help me match characters to players. You can read the list of characters and tell me which ones appeal - or just let me know what themes you like, and I'll do my best based on choices you make to give you something you'll have fun with.

You can find details of the cast of characters here: <https://secondmasque.org/games/nighthawks/nighthawks-cast/>
